ON PETITION

This is a decision on the petition under 37 CFR 1.182, filed January 3, 2005, requesting issuance of a duplicate Letters Patent for the above-identified patent.

The petition is dismissed because it lacks the required petition fee pursuant to 37 CFR 1.17(f).

Effective December 8, 2003, the fee for a petition under 37 CFR 1.182 was increased to \$400. Any fee amount paid on or after December 8, 2004, must be paid at the revised amount. Petitioner submitted a petition fee of \$130.00. Since the petition does not include an authorization to charge a fee deficiency to a deposit account, a \$270.00 petition fee deficiency exists.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include the \$270 petition fee deficiency and a cover letter entitled "Renewed Petition under 37 CFR 1.182." This is not final agency action within the meaning of 5 U.S.C. § 704.

Alternatively, petitioner may request a refund of the partial petition fee within the two-month period.
